RE: 2017 CENTURY CLUB MEMBERSHIP

What an exciting year 2016 was for the Republicans! A clean sweep here in our county; the election and reelection of our area legislative candidates; a new Republican Governor; Governor Pence becoming the Vice President of the United States – and a Republican taking the White House. Great job – Steuben County!!!

While the coming months and years will be thrilling for all of us – we must not sit back and wait for things to happen. We must continue to make them happen. Our continued local support will be needed now more than ever.

The **Steuben County GOP Century Club** was founded in 2014. Each year we have seen substantial growth which has enabled us to assist candidates across the board financially, as well as to secure a visible and active headquarters and other beneficial services to our constituents in our area.

**Please note:** *Century Club membership is totally separate from the Lincoln Day Dinner support and reservations. You will be receiving information on the 2017 Lincoln Day event as soon as our keynote is confirmed.*

Your support has been outstanding in recent years – we humbly ask that you continue your support this year and possibly step up to the next level for 2017. Send in your Century Club membership today and help us keep the momentum going!!!

Best,

Rick Michael, Chairman

Mary Martin, Vice Chair
